We write to request a conference this week on the following time-sensitive issues:

1. The government's failure to provide a workable exhibit list;
2. The government's failure to provide or commit to a deadline for its final translations; and
3. The government's failure to give proper expert notice under Rule 16 of the Federal Rules of Evidence.

We seek an appearance this week as Mr. Habib's wife is due to give birth any day now. The first two issues have been fully briefed.

Respectfully submitted,

/s/
